```
Her mind is Tiffany-twisted, she got the Mercedes Benz
She got a lot of pretty, pretty boys she calls friends
How they dance in the courtyard, sweet summer sweat.
Some dance to remember, some dance to forget

So I called up the Captain,
' Please bring me my wine'
He said, 'We haven't had that spirit here since nineteen sixty nine'
And still those voices are calling from far away,
Wake you up in the middle of the night
Just to hear them say...

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face They livin' it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis
